

## Curriculum Vitae

Janina Christine von Groote  
93051 Regensburg  
Germany

### **Education:**

|                 |  |
|-----------------|--|
| 1992 - 1996     | Elementary school education  |
| 1996 - 2004     | Secondary school education ( <i>Gymnasium</i> )  |
| 2004            | Abitur (equivalent to A-Levels)<br>Major disciplines were mathematics and arts. The Abitur included a special study work in mathematics which dealt with residue classes and their application (Chinese Residue Theorem, RSA Cryptography) |
| Oct 2004 - 2006 | Basic studies of physics at <i>University of Regensburg</i>  |
| Sept 2006       | Pre-diploma examination (Vordiplom)  |
| Since Sept 2006 | Advanced studies of physics at <i>University of Regensburg</i>   |

### **Language Skills:**

Good English, fair Latin, some Kiswahili

### **Extracurricular Activities:**

I worked as a mentor for younger pupils at the Gymnasium, as assistant tutor and as supervisor of study groups. I was speaker of the non-boarding pupils and team captain. I also participated in several plays performed by the theatre group of the school and I continued that at the university.

I studied the piano at a local music school and played in several concerts performed by that school.

### **Additional Experience:**

In order to earn some money I engaged besides the usual baby sitting in several jobs such as working at the Oktoberfest in Munich, at the Autumn Fair in Rosenheim, at the Hessian Fair, and at the Thurn & Taxis Christmas fair in Regensburg as well as with Kentucky Fried Chicken and the Arts Society at Rosenheim.

I also spent an internship at the local court of justice in Bad Aibling.

### **Hobbies:**

Alpine and cross-country skiing, inline skating, horse riding, cycling, dancing.  
Playing the piano and reading.
